First Web Casino, players can rock around the clock at this well- established 50's style casino! Utilizing the latest Viper Software from Microgaming. As a member of the Jackpot Factory Group, FirstWebCasino.com uses a wide selection of deposit and withdraw options including Neteller, UseMyWallet and Click2Pay. Players are able to deposit in US and Canadian dollars, Euro or Sterling, using a few selections of payment options including Neteller and Click2Pay.

Unfortunately, FirstWebCasino.com Doesn't Accept NEW USA players.

First Web Casino Games and Software

FirstWebCasino is powered by Microgaming featuring a selection of over 260 great download games and 125 Flash games, including 3 reel slots, video slots and poker machines.

Table players can also find their favorite table games, including Baccarat, Roulette, 3 Handed Poker and the ever popular Blackjack plus many more. I found this to be a great site to play at with so many games. The Microgaming auto play and audit features are a great new tools for slots players.

First Web Casino gives its players the option to play on the browser or to download a software client. If you are a Mac user or simple like to play on the browser the instant casino is the way.
